

Data Dictionary - MSSA 2010 v3

| Field | Data type | Description |
|----------------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UNIT_COUNT | integer | Count of U.S. Census tracts within the MSSA |
| CNTY_FIPS | integer | County Federal Information Processing Standards FIPS Code - There are 58 unique codes for each California county |
| COUNTY | text | County Name |
| MSSA_ID | text | Medical Service Study Area Identifier |
| MSSA_NAME | text | Medical Service Study Area Name |
| DEFINITION | text | MSSA Rural Definition - Urban, Rural or Frontier [Rural = population density < 250 population/sq.mi] Frontier = population density < 11 population/sq.mi. Urban = anything not Rural or Frontier] |
| POPENSITY | integer | Population Density |
| AREA_SQMI | float | Area Square Miles for the MSSA |
| POP | integer | Total Population from American Community Survey 2010 5 YR Estimates 2006-2010 |
| POP_CIV | integer | Civilian Population (population not living in institutions or group quarters) |
| POP100POV | integer | Count of population living below the 100% federal poverty level |
| PCT100POV | float | Percent of population living below the 100% federal poverty level |
| POP200POV | integer | Count of population living below the 200% federal poverty level |
| PCT200POV | float | Percent of population living below the 200% federal poverty level |
| PCSA | integer | Primary Care Shortage Area designation 1 = designated |
| PCSA_SCORE | integer | Primary Care Shortage Area score |
| PCSA_CIV | integer | Primary Care Shortage Area designation civilian population |
| PCSA_SCORE_CIV | integer | Primary Care Shortage Area score civilian population |
| PC_PHYS | integer | Primary Care physician count |
| PC_PHYS_R | float | Primary Care population to provider ratio |
| PC_PHYS_R_CIV | float | Primary Care civilian population to provider ratio |

| Field | Data type | Description |
|-------------------|------------------|------------------------------------------------------------------------------------------------|
| DENTIST | integer | Dentist count |
| DENTIST_R | float | Dentist population to provider ratio |
| DENTIST_R_CIV | float | Dentist civilian population to provider ratio |
| PSYCH | integer | Psychiatrist count |
| PSYCH_R | float | Psychiatrist population to provider ratio |
| PSYCH_R_CIV | float | Psychiatrist civilian population to provider ratio |
| HISPANIC | integer | Hispanic population count |
| PCT_HSPNC | float | Percent of population identifying as Hispanic to total population |
| WHITE | integer | White population count |
| PCT_WHITE | float | Percent of population identifying as White to total population |
| NHS_WHITE | integer | Non-Hispanic White count |
| PCT_NHS_WHITE | float | Percent of population identifying as Non-Hispanic White count to total population |
| BLACK | integer | Black population count |
| PCT_BLACK | float | Percent of population identifying as Black to total population |
| NHS_BLACK | integer | Non-Hispanic Black count |
| PCT_NHS_BLACK | float | Percent of population identifying as Non-Hispanic Black count to total population |
| ASIAN | integer | Asian population count |
| PCT_ASIAN | float | Percent of population identifying as Asian to total population |
| NHS_ASIAN | integer | Non-Hispanic Asian count |
| PCT_NHS_ASIAN | float | Percent of population identifying as Non-Hispanic Asian to total population |
| AMIND_ESK | integer | American Indian - Eskimo population count |
| PCT_AMIND_ESK | float | Percent of population identifying as American Indian - Eskimo to total population |
| NHS_AMIND_ESK | integer | Non-Hispanic American Indian - Eskimo count |
| PCT_NHS_AMIND_ESK | float | Percent of population identifying as Non-Hispanic American Indian - Eskimo to total population |
| ISLANDER | integer | Islander population count |
| PCT_ISLAND | float | Percent of population identifying as Islander to total population |
| NHS_ISLANDER | integer | Non-Hispanic Islander count |

| Field | Data type | Description |
|--------------------|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| PCT_NHS_ISLANDER | float | Percent of population identifying as Non-Hispanic Islander to total population |
| OTHER_RACE | integer | Other Race population count |
| PCT_OTHER | float | Percent of population identifying as Other |
| NHS_OTHER_RACE | integer | Non-Hispanic Other count |
| PCT_NHS_OTHER_RACE | float | Percent of population identifying as Non-Hispanic Other |
| MULTI_RACE | integer | Multi Race population count |
| PCT_MULTI | float | Percent of population identifying as Multi Race |
| NHS_MULTI_RACE | integer | Non-Hispanic Multi Race count |
| PCT_NHS_MULTI_RACE | float | Percent of population identifying as Non-Hispanic Multi Race |
| AGE_65OVER | integer | Population Age 65 and over |
| PCT_65OVER | float | Percent of population Age 65 and over to total population |
| AGE_18_64 | integer | Population Age 18 - 64 |
| PCT_18_64 | float | Percent of population Age 18 - 64 to total population |
| AGE_UNDR18 | integer | Population under Age 18 |
| PCT_UNDR18 | float | Percent of population under Age 18 to total population |
| AGE_UNDER5 | integer | Population under Age 5 |
| PCT_UNDER5 | float | Percent of population under Age 5 to total population |
| YTH_RATIO | float | Population under Age 18 divided by the population Age 18 - 64 |
| ELD_RATIO | float | Population Age 65 and over divided by the population Age 18 - 64 |
| TOTALPOPOV | integer | Total Population for whom poverty has been determined (U.S. Census; American Community Survey) - denominator used to calculate percent of poverty |
